

Conference AQ Policies (Tim Gleason)

I received 31 responses for the quick AQ Survey. Here are the results:

26 Conferences have a league-wide policy that all sports who play a tournament, the team who wins the tournament is the NCAA AQ

5 Conferences allow individual sports groups to determine their AQ policy, and all 5 happen to grant all the tournament winners the NCAA AQ.

0 Conferences have any policy that the regular-season winner is the NCAA AQ

0 Conferences have any policy that the regular-season winner is the NCAA AQ if it advances to the tournament final.
