Conference	Exchange game film via the Internet? What vendor? What sports?	Internet webcasts? What vendor? What sports?	Conference master schedules -- Outside source? What sports?	Conference call company/vendor -- additional information
Allegheny Mountain	No – plan to in 2009-10	No	No	Chorus Call (ChorusCall.com). 7 cents a minute if you use the 800 number to call in, 6 cents a minute if you use a long distance number to call in.
American Southwest	Game Tape Exchange – m & w basketball and football	Conference worked with host sites in securing webcast video for men's and women's basketball in 2007-08. We were able to webcast all tournament games (7 men, 7 women). Women's went through the institution's campus webcast facility while the men's was sent through Summit Ticket.	No	Chorus Call www.choruscall.com The ASC only uses the "Unassisted" audio to date. We call a general number and participants enter ASC-specific passcode to join the call. Cost of the long-distance call are paid by the caller ... the conference also pays a per minute charge, usually very small. I think I have only spent \$125 to date on conference calls for the year (we have one before each championship and a few other times). The conference office has an unlimited LD call package, so I don't figure any of that into the mix on costs.
Capital	No	No	No	PC Conferencing -- Heidi Hart at 720-257-7226 or hhart@pconf.com. Rates of five cents a minute for conference calls and the video conferencing is around 10-12 cents a minute.
